Just so you know, Dwayne Carter
That's my best man
I ain't playin', so no switchin' to the next plan
I need insurance on the chains

Then I told shawty "I ain't really with the 'X-games'"

I'm a grown man, I ain't gotta bleep it out
Said you got a new watch, let me peep it out (Yah)
New Chanel, and I'm known to floss like a route canal
And I live the boss life, you can tell
Bracelet on frost bite, heavy metal

I ain't givin' up, no way
I'm too good if you ain't got me ranked
I'm too good, I'm beyond outer space
I'm too good to be in line at the bank

I'ma buy some diamonds
I'ma buy some diamonds
I'ma buy some diamonds
I'ma buy some diamonds

They say diamonds, woah
Diamonds, woah
They say diamonds, a girl's best friend (Woah)

They say diamonds, woah

So they hit me with a jewel (A jewel)
Hallelujah (Hallelujah)
Let's spend some more cash (More cash)
Get some more ass (Get some more ass)
I wanna pop some more tags
I'ma get some more bags

I'm goin' real fast
If you slow, I'ma pass
They get and I grab

Smoke a P and a half
