How It Feel

2 Chainz

How it feel, how it feel to ball like this?...

Do you know how it feel to ball like this?
I'm with a bad Malibu white bitch
Shining hard my earring blinging right wrist
It's on flame, LeBron James, yeah I iced it
I'm a real street nigga I know prices
Hit the door one time and get Hyphy
Real trap nigga, 9 to 5 Nikes
Racks in my pocket, who don't like it?

Blue P behind the gates, yeah she feisty
Georgia Power cut us off, my junkies got us on
And I'm in this motherfucker, I ain't going home
Do this shit for all my niggas trapping out the phone

How it feel, how it feel to ball like this?...

10 band, take a zan, then you like me
Got the girl in my room on my right knee
[?] with cuban links on it
And my bitch so cold, she need a mink on her
How you feel, how you feel in that G shit?
Got my first foreign whip off a remix
See I do my own thang I don't need y'all
I got every rights, 6 flags, got the [?] to free fall
Bitch no, get out off my business, operation big dogs
6 cars, tell them fucking flees they'll get picked off
Sick bars, I'm a fuck menace in some Gucci tennis
She might get the pussy raining, I might do a show in [?]

How it feel, how it feel to ball like this?...
