

All we do is juug, juug  
Pockets on full, full  
All we do is juug, juug  
Pockets on full, full  
All we do is juug  
For a nine, for a hoe for a stick (All we do is juug)  
For a dime, for a deuce, for a fifth (All we do is juug)  
For a nine, for a hoe for a stick (All we do is juug)  
For a dime, for a deuce, for a fifth (All we do is juug)

Ten summers, no fumbles  
You want it, we coming, got cookies, no crumble  
Niggas want deals, they don't wanna pay  
I'm so ill, I can sure to have it gone in a day  
In the trap house working, one stove, no curtains  
Got plays, co-worker, can't wait to go serve 'em  
Four or five 0-somethings, foreign whip swagging  
Three or four old-schools, everything snatching  
Barbie doll models wanna hang around Dolla  
Only if they bobble head swallow, holla  
Made it off the Ave with a slab and a half  
Now I'm back on the Ave with them slabs

All we do is juug, juug  
Pockets on full, full  
All we do is juug, juug  
Pockets on full, full  
All we do is juug  
For a nine, for a hoe for a stick (All we do is juug)  
For a dime, for a deuce, for a fifth (All we do is juug)  
For a nine, for a hoe for a stick (All we do is juug)  
For a dime, for a deuce, for a fifth (All we do is juug)

2 Chainz!

And I just bought ten in a off night  
Johnny Gill fishscale, my, my, my  
Kiesha Cole loud pack, fine line, line  
And your girl in my car, car, car  
All I do is juug and spend it at the bar  
Pull up at the intersection, grinning at the law  
Feeling like I'm feeling, then you feeling like you are  
Making millions off of dealing, and we spend it on them broads  
This is how I'm living, you can press record  
Everything ignorant, you cannot ignore  
They ask me where my top went, I told them it's on tour  
All I do is get it, blame it on the [?]

All we do is juug, juug  
Pockets on full, full  
All we do is juug, juug  
Pockets on full, full  
All we do is juug  
For a nine, for a hoe for a stick (All we do is juug)  
For a dime, for a deuce, for a fifth (All we do is juug)  
For a nine, for a hoe for a stick (All we do is juug)  
For a dime, for a deuce, for a fifth (All we do is juug)
