

L.A. Leakers - Freestyle #129

2 Chainz

Let's go
Tony
Check me out

Remember back in school when I was selling NIKs
How you got that Jewellery on, and cannot pay your rent?
BOND NO.9 and kush, It make a aqua-scent
Keep my business low, on the low like dolphin shit
Yeah, I'm from the apartments, whole hood apocalypse
Never been Hollywood, hammer holding hollow-tips
Baby, what's your CashApp?
Just a little sponsorship
Sold so much dope, baking-soda gave a scholarship
Sold so many bags, Ziploc gave me a scholarship
Niggas know Tony rapping like I'm on the Carter VI
All black Prada fit, and I don't have to alter it
Whose back you got?
"I got your back," they start hollering
Thank you NFL, I really appreciate the bag
Son of a gun, I really appreciate my dad
Rest in peace Killa, the work was vanilla
The chocolate, chinchilla
Birthday in September
And if you see me somewhere fighting a gorilla
Don't help me, player
Help the gorilla
I looked in the mirror-like you know you realler
You know you iller, might need penicillin
See, Tony gon' pop it
Tony gon' stop it
[?] time, Tony bought everyone watches
Tony a prophet
Tony obnoxious
Tony got 1s' with the Nikey sign, Ostrich
Tony got mansions
Tony got foreigners
Tony rock Balencies, Tony rock Jordans
And if you ain't freakin', Tony ain't speaking
This sound like Tony featuring The Weeknd
No, I'm just tweaking
Turn up the speaker, just a freestyle that I did for the Leakers
No, I'm just tweaking, turn up the speaker
Album on the way, I did for the Leakers
Dope ain't gon' sell itself
I said that dope ain't gon' sell itself
I said the dope ain't gon' sell itself
I am from the home where the air is greasing [?]
You know I had to rap
Tony
