

Light Flex

2 Chainz

Okay, yeah
Alright now, yeah
2 Chainz

Looking like ooh la la (ooh la la)
Make 'em gather round, Kumbaya
Got 'em looking like oh my God
It's that new, new I know you ain't got (yeah)
I can't relate
To nobody fake
Do my own thang
Let 'em hate and tell 'em, "Bye, bye," bye, bye, bye

It's lit, alright
Promise you can catch it
Vibing all night
I ain't playing no games
That's what I like
Get it popping, 5 lanes
Oh, you know I'm

Oh, I'ma hit 'em with the light flex
Flexing, tonight
Flexing, oh
Flexing
Oh, I'ma hit 'em with the light flex
Flexing, tonight
Flexing, oh
Flexing
This tonight, hold up, watch out

Let me do it one time for the one
Yeah, do it one time for the world
Do it one time for the one
Yeah, do it one time for the world
Do it one time for the one
Yeah, do it one time for the world
Do it one time for the one

Ring alarms 'cause this ain't no drill (no drill)
You a snack, yeah, better yet, meal (full meal)
Walk in and the club on 10 (on 10)
Gotta flex, flex, flex for real (for real)
I can't relate
To nobody fake
Do my own thang
Get 'em all, yeah, go for the kill

It's lit, alright
Promise you can catch it
Vibing all night

(Yeah, yeah, 2 Chainz)
Heartbreaks and 808s
Turn around, one-legged fadeaway (swish)
Even with a beard, I got a baby face (no)
Head fake, crossover, hesitate (true)
I been working on my outside game (yeah)
3's start to raining, thinking outside came
Keep my name on the jersey in all caps (caps)
Crossed over to my goal, overcame trap (trap)
Hanging on the win, waiting for my stripes
Riding through a hurricane in a drop top
Yelling Chainz balling, I'ma take it for my car
I can shoot from here, I can take the block

Oh, I'ma hit 'em with the light flex
Flexing, tonight
Flexing, oh
Flexing
