

## Like Me

2 Chainz

It's kind of just a love  
Don't make me make you fall in love  
Don't make me make you fall in love with a nigga like me, like me  
It's kind of just a love  
Don't make me make you fall in love with a nigga like me, like me  
It's kind of just a love.  
You're not just another bird  
Don't make me make you fall in love with a nigga like me, like me

They ain't never seen a nigga like me uh  
She ain't never seen a nigga like me uh  
Chance of that is unlikely  
2 Chainz in my white tee  
I wipe her down and I pipe her down  
I give my girl money to go out of town  
You give your girl money to go to Niketown  
And I one-night her, you must like her  
Kill niggas with one-liners, all I need is one lighter  
Counting so much money, I got arthritis  
So cold I frostbite 'em, no Pig Latin but I hog-tied 'em  
If she gets this business then I (make her fall in love)  
With a nigga like me I'm killing this beat  
Skeet skeet skeet skeet, skeet on my sheets  
On top, from the back, I thundercat like (HOE!)  
My girl got a big purse with a purse in it  
And her pussy so clean I can go to church in it!  
Oh Lord, O-M-G, I am the O-N-E  
How ya like me now, it's cool but she want more D  
Moet by the fireplace, this is how desire taste  
And I'm 'bout to buy a case (leggo)

Tell 'em... yeah  
Album coming this summer  
Def Jam... TRUUUU!
