

No Off Days

2 Chainz

No off days, no off days
Trapping, 7 days a week, yeah I'm trapping
Trapping, trapping, trapping, 7 days a week, yeah, uh

Put that shit to motion, this a Cosa Nostra
Hairweave killa, on a wanted poster
In the foreign car, back seat, leather sofa
I might need some help, we done bought up all the sodas
Hard to approach us, hard to stay focused, mobbing on purpose
Car cost a crib it even came with the curtains
This I know for certain, this I know from working
Got it out the dirt and

Trapping, 7 days a week, yeah I'm trapping
Trapping, 7 days a week, yeah I'm trapping
Trapping, 7 days a week, yeah I'm trapping
Trapping, 7 days a week, no off days
Trapping, 7 days a week, yeah I'm trapping
Trapping, 7 days a week, yeah I'm trapping
Trapping, straight up out a church and started trapping
Trapping, Pulled out the Porsche just to trap in

Once upon a time, all I do is shine
We don't fuck around, we gon gun ya down
We gon smoke a pint, only rock designer
Hit the strip club, just to watch vagina
Breaking down bags, seconds or zips
Smelling like a bag, walking into Saks Fifth
Ferragamo, Fendi, rocking buckets, nigga fuck it
Eating lobster tail, like they fucking chicken nuggets, yeah
