

## Pop Music

2 Chainz

Excuse me, Sonny, do you know where I can find some booty?  
Why your face so ugly?

Hol' up, bitch, hey  
Bad as hell and she thick  
Pop that pussy like a clip  
She in school, but she strip  
Use two hands when she eat the dick  
I'm tryna hit a whole clique  
Head down, ass up

When she pop it, pop it, pop it, pop it  
Pop it, pop it, pop it, pop it  
Pop it, pop it, pop it, pop it  
If you a bad bitch, pop that pussy on yo' partner

Pop it, pop that shit  
Make that nigga buy you somethin', then say you bought that shit  
Say you stand up on the button when I found the plug  
Not all that pokin' out, everybody want a hug  
She told her friend, "Friend, recall me where I pop my shit"  
Friend said, "Okay, friend, make that money, bitch"  
Lashes, nose and wig done, all of that ain't been some  
Diamond watch, diamond choker, diamond buy her eardrums

Pop it, pop it, pop it, pop it  
Pop it, pop it, pop it, pop it  
Pop it, pop it, pop it, pop it  
If you a bad bitch, pop that pussy on yo' partner

Drop it for me than pop it on me  
I'm big bad Mr. Money, want profit only  
Say she just like dance, but as she twerkin', she a stripper lowkey  
I can barely walk my knees, we could get some head for more lead  
Won't go lie where I hustle in, but get naked in her close friends  
See her backside from the front and caught some ego, pussy ocean  
Gimme sloppy toppy, you might get a watch from wifey  
Put you in a Benz or somethin', take you out in the jalopy

Pop it, pop it, pop it, pop it  
Pop it, pop it, pop it, pop it  
Pop it, pop it, pop it, pop it  
If you a bad bitch, pop that pussy on yo' partner  
Pop it, pop it, pop it, pop it  
Pop it, pop it, pop it, pop it  
Pop it, pop it, pop it, pop it  
If you a bad bitch, pop that pussy on yo' partner
