

# Rule the World

2 Chainz

(Hitmaka)  
(2 Chainz)

Top down on the Dawn like I'm used to it (Yeah)  
Prayin' you make it home like I'm used to  
Prayin' you make it home, I got used to it (Used to it)  
Prayin' you make it home like I'm used to  
Top down on the Dawn like I'm used to it  
Prayin' you make it home I got used to it  
Prayin' you make it home like you used to

I realize we could rule the world  
I realize we could rule the world

Fell in love with a real one, that's a dedication (Wow)  
Had 'em patiently waitin' for a revelation  
Even when I ain't around, ain't no separation  
Your skin's smooth, your eyes brown and you're far from basic  
Then we go to different places with no suitcase (Wow)  
But when we come back we got two cases (Two cases, yeah)  
Right now I use love for a medication (Love)  
Back in the day I'd shoot cupid with no hesitation  
I got more than 40 acres for my reparation  
p\*ssy on my navigation, that's my destination  
Please don't ever tell on me, baby (Never tell)  
That mean don't call 12 on me, baby (Don't call 12)  
As long as the meal prepared for me baby (Prepared)  
The meals I prepare, I share with you, baby (I'ma share)  
Of course they gon' like this shit, look at me  
Everybody ain't happy that look happy

Top down on the Dawn like I'm used to it (Yeah)  
Prayin' you make it home like I'm used to  
Prayin' you make it home, I got used to it (Used to it)  
Prayin' you make it home like I'm used to

Top down on the Dawn like I'm used to it  
Prayin' you make it home I got used to it  
Prayin' you make it home like you used to

I realize we could rule the world  
I realize we could rule the world

Why don't we ride 4 deep?  
Roll so far we on E  
She on E, she on me  
Let's try that way, okay

Shawty came in walkin' like a model  
Shape like a bottle  
She know if she mess with me it's gon' be trouble  
I'ma bust her bubble  
I'ma always love her, mess up all the covers  
Yeah

Watch me break it down like a foldin' chair  
See me in them Chain Reactions, I got 40 pair

Sorry I ain't answer the phone, I was slappin' that  
Late at night, A.M., said I was pullin' hair

Y'all know me, so low-key  
All this ice on, I got cold feet  
My shawty bad, she a trophy  
She like to lay on me and call me cozy  
Yeah

Top down on the Dawn like I'm used to it  
Prayin' you make it home like I'm used to it  
Prayin' you make it home like I'm used to it  
Prayin' you make it home like I'm used to it  
Top down on the Dawn like I'm used to it  
Prayin' you make it home like I'm used to it  
Prayin' you make it home like I'm used to it

I realize we could rule the world  
I realize we could rule the world

(Skrtrt)  
Yeah  
I'ma trap it out one way or another  
Yeah  
One thing about love  
They say it's blind  
No matter where you from, though  
You gon' bump into it one day  
True
