

Somebody Need To Hear This Freestyle

2 Chainz

Nah

I hear y'all niggas still holding y'all nuts on me
See one thing about holding your nuts on somebody
You're literally holding yourself down
You ain't doing nothing to the other person
I don't even feel that shit, you know what I'm saying?
I really need more haters, talking to the ones in the back
While I'm in the back

Okay I see the agenda that they are trying to push
Dear America, why you ain't tell me who's legalizing kush?
If I had known that earlier, I did it by the books
But instead I had skip to class and go and make a jugg
College grad might I add, let me retract
I'm a gift that's already open, let me re-wrap
Had it up here with the money, talking knee-cap
It's a thin line between cuz's house and the D-fax
Asked them folks to give me a chance
I'm just a juvenile, got so high
I told my attorney that I'm a sewer cloud
Catching me back out of the space, I can move the crowd
If somebody die over here, then they was moving out
Always get portrayed as a villain, oh what a feeling
Ran this shit up off of adrenaline and got a million
Then got another mill, can't forget the other deal
Yeah I got plenty more, bitch I'm talking twenty more
I do a show in a Fendi store
You know I'm great I'm talking 8, I'm talking 24
I'm talking pool, I'm talking lake, I'm talking tennis court
I'm 6'5" it's hard to ride an Aventador (Tony)

I fuck with you, if you fuck with me
I fuck with you, if you fuck with me
(Know I'm sorry I just got off, that shit so high I was like, w
ho is this nigga? That's what I was saying)
I fuck with you, if you fuck with me
I fuck with you, if you fuck with me
I fuck with you, if you fuck with me
I fuck with you, if you fuck with me
(Tag somebody that need to hear that, tag em' right now)
I fuck with you, if you fuck with me
