

# What Happened

2 Chainz

Uh, what happened, what happened?

Yeah, damn, girl, what happened?

What happened? What happened?

What happened?

I thought you weren't fucking with me no more

Damn, girl, what happened?

I thought you wasn't fucking with me no more

What happened?

What happened?

She said oh, you got that comeback, she said my dick is a necessity

Drop my drawers, and pull out my longevity

She just hop on it, and then she forget everything

Oh man, who's obsessed with me, when she leave me, she come back like she ain't never leave

She talk bad about my new bitch, cause we got chemistry

She said it's not jealousy, allegedly

I thought you wasn't fucking with me no more

Girl, what happened, you act like you don't miss me, oh my god you suck at acting

I thought you don't fuck with me no more, girl I'm laughing

She said, she get real, when I get rid of all her batteries

She be talking about how she moving on with her life, she tired of my shit and she can do

Better

She told herself; she ain't fucking with me no more

She done lied to herself, she'll lie to who whatever

Talking about, she seen me with such and such

I say it's nothing, you fucking duck

She said yeah, nigga, what I look like

I said just like my new daughter

She said ohh, you make me sick

I love you, I hate you, I'm leaving, I'm lying

Cause none of them niggas, can never be you, can never be you, I don't know why

If she's over me, I look up to the sky, I see her falling for me like a bomb, she said, I know

Your gonna

Miss me when I'm gone, I just cosign and we make up for lost time

She always say, this is the last time

She love better, than she lie

She always say, this is the last time

She said that last time, wait

I thought you wasn't fucking with me no more

Girl, what happened

I thought you wasn't fucking with me no more

Hold up wait

You're lying to ya self, (stop lying) you compromise with yaself

I thought you wasn't fucking with me no more

Hold up wait

I thought you wasn't fucking with me no more

Hold up wait

Damn girl what happened?

Hold up, hold up, hold up

What happened, what happened?

First you change your email, then ya number became private  
I bet you found another nigga you can vibe with  
Quit lying to yourself, retrace all ya steps  
Fucking with them suckers, they gonna have ya playing with yaself  
I'm a smooth operator; you don't need a vibrator  
Licking everything below, the navel, cause I'm able  
Ball so maafakin hard, tape my ankle  
Ball so maafakin hard , check my bankroll  
You talkin bout you don't fuck with a nigga, go outta town like you done with a nigga  
Really ain't much done, with a nigga  
Straight shots, put liquor on it, and lick it  
Put the x in the exceptional, put the x in the extraho  
I put the x in x and o  
I got the game in professional, yeah, my dick is the antidote  
You can ride my ontop, like an animal  
That time, I wanted to smoke with ya best-  
friend, I wanna fuck yall on the patio, you miss  
When I kiss on  
Ya earring, you miss when I kiss on your clit ring  
Thats why I put you in this 16, I'll fuck you and watch you on the big screen  
Yeahhhh!!  
She said oh, you got that comeback, she said my dick is a necessity, (Lil Wayne)  
Drop down my drawers, and pull out my longevity  
She just hop on it, and fuck it, everything  
She like you know, I'll never leave  
She's on that dick, like leather seats  
You know that, make up sex be extra sweet  
So let's break up, and make up like Pleasure P  
You always say , this is ya last time  
You always say , this is ya last time  
You always say, this is ya last time  
You said that last time, girl

I thought you wasn't fucking with me no more. girl, what happened  
I thought you wasn't fucking with me no more. girl, what happened  
You're lying to ya self, (stop lying) you compromise with yaself  
I thought you wasn't fucking with me no more  
I thought you wasn't fucking with me no more  
You're lying to ya self, (stop lying) you compromise with yaself  
I thought you wasn't fucking with me no more
