

Boy Are You Ready

2 Eivissa

C'mon get him ready to the groove
Hey boy, are you ready?
C'mon let's get it

Let's have a night to feel alright
Oh boy you know you blow my mind
You wanna lick it before you kick it
Yes, I'll be good to you to make it through the night
Let's make a start because it's fine
I want your body and baby you want mine
I wanna lick you, I wanna suck you
And to feel it, make me scream and shout
