Good, damn  
Shit  
Look at the ass on that bitch  
Look at the titties

Aw, hit me  
Hold your legs up on, easy  
Hold your legs up on, easy  
Hold your legs up on, easy  
Oh shit

There's only one place where we can go  
To see freaky hoes doin' shows  
Doin' tricks to make us holler  
On a giving night, all for a dollar

Silicone breasts, all on their chests  
Not like us but above the rest  
They'll do anything to turn us on  
Them hoes got it goin' on

I like big booty and big ol' titties  
Bitch, you know you've been fucked by many  
So come and be my Private Dancer  
I got some money if that's the answer

I really wanna be with you  
I get hard after seeing you  
How hard? Hard like a rock  
When you make that pussy pop

Pop that pussy, hey  
Pop that pussy, baby  
Pop, pop that pussy, hey  
Pop that pussy, baby

Pop, pop that pussy  
Pop, pop that pussy, baby  
Pop that pussy  
Pop, pop that pussy, baby

Freaky bitches with plenty of ass  
Rollin' to the music and shakin' real fast  
Bend over backwards, make me shout  
And work that pussy, in and out

Movin' their body with plenty of action  
Bringin' to the men more satisfaction  
Doin' what they feel to turn us out  
Just work that pussy all the way out

Shake it, don't break it  
It took your momma nine months to make it  
Bend over and spread 'em, girl

Show me those pussy pearls

Rub that ass and play with that clit  
You know I like that freaky shit  
Girl, you know you look so cute  
Throwin' that pussy the way you do

Pop that pussy, hey  
Pop that pussy, baby  
Pop that pussy, hey  
Pop that pussy, baby

Pop, pop that pussy  
Pop, pop that pussy, baby  
Pop, pop that pussy  
Hey, pop that pussy, baby

Poppin' that pussy's a dance for the ladies  
Straight from the south, into the 90's  
Freaky bitches are the ones I like  
In G strings in the middle of the night

Smoke filled stages, bitches in cages  
Guards at the door, armed with gauges  
As they dance and I get hot  
Keep throwin' that pussy, don't stop

I like the way you lick the champagne glass  
It makes me wanna stick my dick in your ass  
So come on, baby and pop it quick  
I fall in love when you suck my dick

Bitch, you don't know? You ain't heard?  
Fuckin' with me, you're gonna get served  
See, none of my bitches, they never complain  
So come on, baby and pop that thang

Pop that pussy  
Pop, pop that pussy, baby  
Pop that pussy  
Pop, pop that pussy, baby

Pop, pop that pussy  
Pop, pop that pussy, baby  
Pop, pop, pop the pussy  
Pop, pop that pussy

Janet J, pop that pussy  
Bubbles, pop that pussy  
Sandra P, pop that pussy  
Madonna, pop that stinky smelly pussy, baby

Hit this motherfucker  
Shit, this good  
Hit this motherfucker  
Shit, this good  
Hit this motherfucker

Pop that pussy  
Pop, pop that pussy, baby  
Pop, pop that pussy  
Pop, pop that pussy, baby

Pop, pop that pussy  
Pop, pop that pussy, baby  
Pop, pop, pop the pussy  
Pop, pop that pussy, baby
