You Know Me

Och, och, och, och Och, och, och, och Somethin' serious, shorty, you know wat it is?

I know you, shorty, you know me And you know I can't leave these streets 'Cause I mean it's in my veins, shorty Wish I could stay but for now just pray for me

I know you, shorty, you know me So hard for me to leave these blocks Got my head tied in a knot always runnin' from the cops Prayin' that I don't get caught

You know I push it to the limit Sun up, sun down, baby, I got to get it Gotta get it, I gotta get it

You know I push it to the limit Sun up, sun down, baby, I got to get it Gotta get it, I gotta get it

Baby girl, you know my situation I know sometime you get impatient I be on tha grind, you be at tha house Probably think I'm at another broad house

Shorty, I'm gettin' money More than I've ever seen True Religion jeans, I know you like those That's why I buy 'em for ya, smile for me

You can't believe them, hatin' bitches They be lyin' on me, keep a nine on me You know they plottin' on me You just keep that pussy tight, I'm comin' home early

I gotta get it, get it I can't leave the streets I did'nt choose tha hustle, tha hustle chose me

I know you, shorty, you know me And you know I can't leave these streets 'Cause I mean it's in my veins, shorty Wish I could stay but for now just pray for me

I know you, shorty, you know me So hard for me to leave these blocks Got my head tied in a knot always runnin' from the cops Prayin' that I don't get caught

You know I push it to the limit Sun up, sun down, baby, I got to get it Gotta get it, I gotta get it

You know I push it to the limit Sun up, sun down, baby, I got to get it

2 Pistols

Gotta get it, I gotta get it

Pray for me pray for me

Streets keep callin' The block keep on watchin' You're my shorty, hopin' you stay down Be with me win or lose

Girl, my heart is always with you Don't get confused Just hold me down I promise that we'll make it through

I'm gettin' money 24/7, life as a hustler They wanna throw away the key and lock a nigga up I remember when they put me in handcuffs

I look you in tha eye, shawty, what you cryin' for? I'll be out in the morning, baby, post bail Get your hair done 'Cause I'm comin' straight over there

I trust her with tha money, shorty so real I put them diamonds on her, just to show I care You stuck with a nigga in and out of jail I know you love me, baby, I put you through hell

I gotta get it, get it I can't leave the streets I didn't choose tha hustle, tha hustle chose me

I know you, shorty, you know me And you know I can't leave these streets 'Cause I mean it's in my veins, shorty Wish I could stay but for now just pray for me

I know you, shorty, you know me So hard for me to leave these blocks Got my head tied in a knot always runnin' from the cops Prayin' that I don't get caught

You know I push it to the limit Sun up, sun down, baby, I got to get it Gotta get it, I gotta get it

You know I push it to the limit Sun up, sun down, baby, I got to get it Gotta get it, I gotta get it

You know I push it to the limit Sun up, sun down, baby, I got to get it Gotta get it, I gotta get it

I know you, shorty, you know me And you know I can't leave these streets 'Cause I mean it's in my veins, shorty Wish I could stay but for now just pray for me

I know you, shorty, you know me So hard for me to leave these blocks Got my head tied in a knot always runnin' from the cops Prayin' that I don't get caught I know you, shorty, you know me And you know I can't leave these streets 'Cause I mean it's in my veins, shorty Wish I could stay but for now just pray for me

I know you, shorty, you know me So hard for me to leave these blocks Got my head tied in a knot always runnin' from the cops Prayin' that I don't get caught
