Let's Celebrate

2 Unlimited

Everybody are you ready to hit the floor?

People all over get ready to hit the floor, yeah! I gotta brand new thing and I'm taking you out for more

Now feel the vibration my body is aching to move So if you think it's cool come on and do it too Let's have a real good time

Come on everybody let's party tonight Come on everybody let's party tonight Let's celebrate we just can't wait Things can only get better

Ooh -ho Zho Ooh -ho Zho Ooh -ho Zho!

Now we got the motion Get into the groove with me Yeah! You know it feels so good And baby that's all that we need

The whole world is shaking The rhythm is making it move Oh yeah! So if you think it's cool I'll take you right on through Let's have a real good time

Come on everybody let's party tonight Come on everybody let's party tonight Let's celebrate we just can't wait Things can only get better

Party tonight Come everybody let's party tonight Let's celebrate we just can't wait Things can only get better

So if you think it's cool have a real good time ! Hey ! Whoo!
