2 Unlimited

CRAZY !!!!!

CRAZY !!!!!

I've been gettin' such a good vibration  
Coming through the air at me  
And I believe it's a new sensation  
Baby it's the place to be  
C'mon get funky  
Do you wanna funk with me...  
C'mon get funky  
Let's do that thing the way it's supposed to be

Move on up  
(CRAZY !!!!!)  
To me baby  
Move it to it don't say maybe  
Move on up to me baby  
Move it till it drives you crazy

Move on up  
(CRAZY !!!!!)  
To me baby  
Move it to it don't say maybe  
Move on up to me baby  
Move it till it drives you crazy

Oh ho, oh ho we got - Oh ho, oh ho we got  
Oh ho, oh ho we got it right here !  
Oh ho, oh ho we got - Oh ho, oh ho we got  
Oh ho, oh ho we got it right here !  
Oh ho, oh ho we got - Oh ho, oh ho we got  
Oh ho, oh ho we got it right here !

C'mon and move your body  
I can make it easy  
You gotta feel the motion  
Deep inside

Just let me take you higher  
Set your love on fire  
Move on up, move on up, move on up until you're crazy

We got it right here, we got it right here, we got it right here, yeah !  
We got it right here, we got it right here, we got it right here, yeah !

Let me take you in the right direction  
If you wanna dance with me  
Let the groove be a true sensation  
Baby it will set you free  
C'mon get funky  
Do you wanna funk with me  
C'mon get funky  
Let's do that thing the way it's supposed to be

Move on up  
(CRAZY !!!!!)  
To me baby

Move it to it don't say maybe  
Move on up to me baby  
Move it till it drives you crazy

Move on up  
(CRAZY !!!!!)  
To me baby  
Move it to it don't say maybe
