Sensuality
Sensuality
Your love got a hold on me
Hey... Hey...
Physical attraction

Like a walk through the valley of paradise
Clouds disappear and the sunshine rises
Inner thoughts overflow like the sea
The secrets and fantasies of the body
It makes you sweat, it makes you wet
The kind of feeling that you got to get
Supernatural irresistible
Feel the love, 'cause I like it sensual!

What is this physical attraction?
Can't help it, I need satisfaction
Oh Yeah
Sensuality
It's got a hold on me
What is this physical attraction?
Can't help it I need satisfaction
And I knew satisfaction; Yeah

Now take a deep dive, let your emotions go
Further than you wish, but look out be cautious
The mind and body come together as one
But play it safe if you're gonna have fun
You need satisfaction, so start the flexin
Hungry for love, the physical attraction
Sexual, natural, no added flavour
'Cause I like it sensual
