

I'd take my blade  
And watch you bleeding  
To death tonight  
To death and screaming  
My name, not kidding  
U worth no living  
If I were you, I'd commit suicide

I'd feed you to my inner demons  
And split your soul between us  
But I've got one thing on my mind  
Ha-ha, I don't give a fuck

I don't give a fuck  
Bout what you say  
Don't give a fuck  
Bout your respect  
Bout what you want  
Don't give a fuck  
About your name  
Ur stupid face  
Don't give a fuck  
Sorry no fucks given

I don't give a fuck, bitch  
Don't don't give a fuck, bitch  
I don't give a fuck, bitch  
Sorry, no fucks given

I'm so addicted to the feeling I get  
When I see bitter failed musicians try to pose me a threat  
I got a god's voice, god's face, clear skin, clear bass  
What's another fucking wannabe out of place

Confess!  
You know I'm blessed, but you cannot express  
Your stress  
In the same musical, unfathomable way that I can  
You're only capable of filling this world with hate  
But deep inside you know but deep inside you know that I ate

I don't give a fuck  
Bout what you say  
Don't give a fuck  
Bout your respect  
Bout what you want  
Don't give a fuck  
About your name  
Ur stupid face  
Don't give a fuck  
Sorry no fucks given

I don't give a fuck, bitch  
Don't don't give a fuck, bitch  
I don't give a fuck, bitch  
Sorry, no fucks given

Get the fuck away from me  
Get the fuck away from me!

(I don't give a fuck, bitch  
Don't don't give a fuck, bitch  
I don't give a fuck, bitch  
Sorry, no fucks given  
I don't give a fuck, bitch  
Don't don't give a fuck, bitch  
I don't give a fuck, bitch  
Sorry, no fucks given)
