Still depend on the stick, it's automatic (brrrr)
Rich bitch, and yeah my bitch got a Patek
Reaching for my chain, cut his hand off when I order, skeleton
59, 80 cost a quarter, borders

Couple hundred thousand stashed in the dirt soil
Still in the kitchen, off cooking up pollo
55 years old asking for a photo, ugh
Diamonds on the throat, I'm a GOAT (ugh)
Margiela coat in the snow ho, ho
Pop the Adderall like a Tylenol
Playin' with the racks, volleyball matching haunted house (racks)

I was 'bout to knock 'em out but I put it off (spared)
Stones in my mouth cost me 24

All these wedding bands on like I got 20 wives
I'ma fuck around and let the semi ride (hey)
I'ma chop the block up like a samurai (hey)
Nigga you done told about a hundred lies
Nigga cappin', you ain't never did no homicide
'Bout that action, see me flashing like the paparazz' (pah pah)
And we deeper than the fucking Nazis
