Strangers in my back yard selling you beliefs danger in my empire trouble on the streets

and I don't want to modernize
and I don't want to rearrange
I don't want to fix up
and I don't want to change

hold on to the things that you love hold on to the things that you love hold on

danger in the papers danger in the magazines sell you ideas sell you false dreams

and I don't want to modernize
and I don't want to rearrange
I don't want to fix up
and I don't want to change

hold on to the things you can feel hold on to the things that are real hold on

strangers in my back yard selling you beliefs danger in my empire trouble on the streets

and I don't want to modernize
and I don't want to change
I don't want to fix up
I don't want to rearrange

hold on to the things you can feel hold on to the things that are real hold on to the things that you love hold on to the things that you love

hold on to the things you believe hold on to the things that you see hold on to the one that you love hold on to the one that you love
