

Don't Play Cello

22-Pistepirkko

I hear calypso
Hot drink and tusco
You look so yellow
Am I so mellow
Hey donrt play cello,you look so yellow
Am I so mellow, hey donrt play cello
Who are yellow, hey donrt play cello
Because;
I want you
Want you all my own
And I kiss you,kiss you in my room
And I ask you, ask you night and noon
Donrt say irm cold or I stay alone
Or I stay alone
I donrt need a tattoo
And I like potatoes
Rough meat and honey
Donrt ask your mammy
If need some money
You better start running
Rough meat and honey
Donrt ask your mammy
Who are dummy
Because;
I want you
Want you all my own
And I kiss you,kiss you in my room
And I ask you,ask you night and noon
Donrt say irm cold or I stay alone
Or I stay alone
