22-Pistepirkko

I hear calypso Hot drink and tusco You look so yellow Am I so mellow Hey don't play cello, you look so yellow Am I so mellow, hey don't play cello Who are yellow, hey don't play cello Because; I want you Want you all my own And I kiss you, kiss you in my room And I ask you, ask you night and noon Don't say i'm cold or I stay alone Or I stay alone I don't need a tattoo And I like potatoes Rough meat and honey Donrt ask your mammy If need some money You better start running Rough meat and honey Donft ask your mammy Who are dummy Because; I want you Want you all my own And I kiss you, kiss you in my room And I ask you, ask you night and noon Don't say i'm cold or I stay alone Or I stay alone
