

I'm Staying Now

22-Pistepirkko

Hey boy, can't you see
Hey girl, what I mean
I love her, I need her
I want her, yes I want her now
Now, now
Hey man, go away
Im here, to stay
I love her, I need her
I want her, yes I want her now
Now, now, I can't wait no more
So don't you try to run away
Cos Ive been waiting, waiting
So long, I think I want you, I think
I want you now
Her girl, can't you see
Cant you see, what I mean
I love you, I need her
I want her, yes I want her now
Now, now, I can't wait no more
So don't you try to run away
I can't wait, can't wait no more
Youre the one, one I love, love, love, love
