

Last Night

22-Pistepirkko

Last night I was falling in love
What I had in my mind
Oh it is too bad to say
Last night I was falling in love
What I had in my mind
Ouh it's too bad to say
Ou it's too bad to say
To say
Tonight, hold tight, tonight
Tonight, to kiss, tonight
Tonight hold tight, tonight to kiss
But what I had in my mind
Oh it's too bad to say
Oh it's too bad to say
