

Save My Soul

22-Pistepirkko

Holy man hear me now
I pay you and your ma
Golden rules with my cash
My mind and me makes a big crash
Oo oo oo
Hey man you are so mean
You better believe
This came is sickening
I think I won't pay my bill
Ooo ooo ooo
Holy man hear me now
I pay you and your ma
Golden rules with my cash
My mind and me makes a big crash
Save my soul ...
