

Shot Bayou

22-Pistepirkko

Yes it's like rainy day
Rainy day in shot bayou
Rainy day in shot bayou
Hello my little cat
I'm gonna die tonight
What I'm gonna do about you
Hello my little cat I'm gonna die tonight
What am I gonna do
What am I gonna do about you
My cat is listening to you
It always says
Don't get your eyes wet
Because in the night
Is the shining moon
And your friend will come back soon
Hello my little kid
I'm gonna die tonight
What am I gonna do
What am I gonna do about you
