

# Truth

22-Pistepirkko

I swear whole truth  
Nothing but the truth  
Everything is not so clear to me  
I swear whole truth  
Nothing but the truth  
Everything is not so clear to me  
Imagine that poor hotel  
Ugly head waiter  
Cheap champagne and wondering mind  
Electric chair  
I don't care  
I swear whole truth  
Nothing but the truth  
I swear whole truth  
Nothing but the truth
