

CAN'T WASTE TIME

22Gz

I can't be wasting my time
If it's real you gon' make some time
I know it could get tricky sometimes
Baby girl you a dime you so fine
I can't help but you always on my mind
Streets cold hard filled up with ice
Took a risk had to make or sacrifice
So my people could live a better life

I know it could get litty sometimes
Nowadays gotta read between the lines
Going through it ain't even peep the signs
She a baddie that girl a ride-or-die
Keep that shit on she always so fly
Independent don't need a co-sign
In that water she wet she don't dry
Casa Migos that boat she gon' drive

I can't be wasting my time
If it's real you gon' make some time
I know it could get tricky sometimes
Baby girl you a dime you so fine
I can't help but you always on my mind
Streets cold hard filled up with ice
Took a risk had to make or sacrifice
So my people could live a better life

I can't be wasting my time
If it's real you gon' make some time
I know it could get tricky sometimes
Baby girl you a dime you so fine
I can't help but you always on my mind
Streets cold hard filled up with ice
Took a risk had to make or sacrifice
So my people could live a better life

Ride-or-die
She said he broke her heart and left her traumatized
Hold me down if I get locked up for a homicide
Don't be creepin' on me, sleeping with the other side
Rather keep it real why would I tell a lie
Penthouse view. We're lookin' at the sky
Put a Rollie on your wrist, ain't tryna waste your time
Shorty kept it real I made her meet my mom

I can't be wasting my time
If it's real you gon' make some time
I know it could get tricky sometimes
Baby girl you a dime you so fine
I can't help but you always on my mind
Streets cold hard filled up with ice
Took a risk had to make or sacrifice
So my people could live a better life

I can't be wasting my time
If it's real you gon' make some time
I know it could get tricky sometimes

Baby girl you a dime you so fine
I can't help but you always on my mind
Streets cold hard filled up with ice
Took a risk had to make or sacrifice
So my people could live a better life
