Pull up I'm dripping and saucing blick on my hip see a opp then I'm tossing
Pull up the block with no caution answer my glizzy I ain't for the talking
Leaning I'm mad drippy, spots with the treeshes so we getting mad shiggy
Why he just ran ricky?
Superwristblicky we keep us a damn blicky

Pull up suburbans and foreigners Glock with a stick if he woo then we on him y
a really too wack I be saucing swag super drippy she like what it cost em
I hit the road then I cashed out
Keep a tec better dump if I'm back out
I got a chop with the mac out
Told them One's spin the Fifth that's your last route
Told them One's spin the Fifth that's your last route
And we still on that bleezy with autos and semi that blicky got hallows that
's mad loud (gang gang gang)

Blicky gang flexing they mad at them make a wrong move and the weapons start
babbling
She left a mess on the mattress if he ain't there we reverse and spin back a
gain (glt bow)

Drifting I'm swerving they want it I'm serving with Sixo we purging
Ain't there where you turning them Shiggys gone murk em might shoot out a he
arse bitch (gang gang gang)

Word to my blicky I'm going out dying with it cop the breach while the time
ticking, gang in that bullshit don't pull up don't die spinning hit his top
left his mind dripping (racks racks racks)

I might sip the Henny, pour a four, drip it and go puff some dead niggas
Got a gallon of Henny 50 vans if any aiming for his head with us

I've been inching and stretching blickity-shiggity drippy we reckless
(I keep a damn blicky)
If they ain't get the message pull up we pop out suburbans to stretch them

I ain't really with the talking shit, if you really want beef then you know
I'm gon' smoke the clip and I spin through the Flossing bitch hearing all th
ese opp niggas hearing talk out the ruger stick and you know how we give it
up, if a nigga talk hot then you know we gon' bitch it up. You know Khay kee
p the hammer tucked, he gon' blam every shot best believe he ain't letting u
p (nah), and these bitches they feeling us, Blixky gang on top and these bit
ches they feeling us (know that) so none of you is bragging popping Rose on
they ass and we dab to the stash agains
And you know we got the BNB's and we chilling in spots we ain't watching no
tv we just jugg making three-peats and your bitch on my dick and she saying
she love me but that bitch is too ugly told her get the fuck out my face you
can't cuff me
(Get the fuck out of here cheese, Sixo bitch)
