

## Pop Out

22Gz

Pop out, hop out  
Chop out, watch out  
Catch me a- knock out  
I made his bitch, tap out  
Walk in the party, no pat down  
Henny, patron til I pass out  
Pop out, hop out  
Chop out, watch out

Hope it don't escalate  
'Hang out the 'burban or escalade  
Boosting my accolades  
24/7 we purgin' for hella days  
Lingo chatting trapanese  
Spinning, twirling, bending rapidly  
He got a back full of batteries  
But that boy snitched on assault and battery  
We tryna burn off some calories  
Ain't with the chatter, cause a fatality  
Chop 'em up to slices  
Hollow tips rip biceps  
Move real tact like ISIS  
Got hands like Mike Tyson  
I'm with blixks and snipers  
We spin blocks, they typing

Pop out, hop out  
Chop out, watch out  
Catch me a- knock out  
I made his bitch, tap out  
Walk in the party, no pat down  
Henny, patron til I pass out  
Pop out, hop out  
Chop out, watch out

Knocks out, block out  
Flock out, mop out  
I see a opp, let me hop out  
We getting shiggy as soon as she clock out  
My house, pulling my cock out  
One in the head and I'm aiming for mattas, mattas  
You better watch out  
Hit from the back, I can't wife on a baba  
They sick  
Ain't dead? They spin  
Reverse that whip  
We twirl with blixks  
Got sauce, got drip  
Get wacked, don't slip  
Swerve, drift  
U-turn, it's clipped

Pop out, hop out  
Chop out, watch out  
Catch me a- knock out  
I made his bitch, tap out  
Walk in the party, no pat down

Henny, patron til I pass out  
Pop out, hop out  
Chop out, watch out
