22Gz

I said I keep two chops 'cause I know the streets watchin'
I'm too high, so I can't move sloppy, I'm

I keep two chops 'cause I know the streets watchin'
I'm too high, so I can't move sloppy
I'm too high, yeah I know the streets watchin'
Them niggas hatin', they wanna 2Pac me
I keep two chops 'cause I know them niggas watchin'
I'm too high, so I can't move sloppy
I'm too high, yeah I know the streets watchin' 'em
Them niggas hatin', they wanna 2Pac me

That McLaren or i8, jump in, it's litty
Got the foreign and the foreign out of state, it's litty
Hella bands, diamonds dancin', bitch my neck is trendy
Want all cancer, empty hammers on that nigga quickly
22 Blikky got them ratchets, might unload if I have it
Free my niggas 'til it's backwards, that glizzy made it back
Fuck your shooter, I'm the camera, the DA tryna blam us
He'd be stupid if he ran up, this blicky ain't gon' jam up
Your bitch said we met already, that pussy'd be dead already
And we fled already, send you to the cemetery (Lil' bitch)
And we fled already, send you to the cemetery

I keep two chops 'cause I know the streets watchin'
I'm too high, so I can't move sloppy
I'm too high, yeah I know the streets watchin'
Them niggas hatin', they wanna 2Pac me
I keep two chops 'cause I know them niggas watchin'
I'm too high, so I can't move sloppy
I'm too high, yeah I know the streets watchin' 'em
Them niggas hatin', they wanna 2Pac me

Gang gang gang, that's my dawg, hold it down
Tryna hold the blick but it's still pokin' out
Blood all on my kicks and my wrist flooded out
Same handgun, same whip spinnin' out
Don't get backtracked on the Snapchat, we clap back
Where your stash at? Run up on 'em, where the racks at?
It go blatt, blatt blatt blatt

Head shot, shoulder shot, we gon' watch his body drop
Can't stop, big guap, fuck her, make her body rock
Hatin' on me 'cause my wrist is froze, we done did a lot
And my hood like the corner store, we gon' set up shop
Feel the tension when I'm in the room, we gon' let it rock

I keep two chops 'cause I know the streets watchin'
I'm too high, so I can't move sloppy
I'm too high, yeah I know the streets watchin'
Them niggas hatin', they wanna 2Pac me
I keep two chops 'cause I know them niggas watchin'
I'm too high, so I can't move sloppy
I'm too high, yeah I know the streets watchin' 'em
Them niggas hatin', they wanna 2Pac me
