

10 O'Clock

24hrs

24hrs, and you know it's James [?]
Damn James

I'm just tryna fuck somethin'
You should do less talkin'
(It'll be the last time, I get you out my mind)
I got up in the block
Pick you up 'round 10 o'clock
(Don't you wear no clothes when you up in that new Rolls)
I got up in the block
Pick you up 'round 10 o'clock
I'm on the block, 10 o'clock
Got up in the block
Pick you up 'round 10 o'clock
10 o'clock
Pick you up 'round 10 o'clock
10 o'clock
Pick you up 'round 10 o'clock

Lately, I been havin' neon dreams
When it come to money, I'm a total fiend
I been tryna kick the lean
Fear of God's on the balance beam
Woke up out in Vegas with twins (Twins)
I just gave a Molly to her friends (Friends)
We just stayed up all night
And...

I'm just tryna fuck somethin' (Fuck somethin')
You should do less talkin'
(It'll be the last time, I get you out my mind)
I got up in the block
Pick you up 'round 10 o'clock
(Don't you wear no clothes when you up in that new Rolls)
I got up in the block
Pick you up 'round 10 o'clock
I'm on the block, 10 o'clock
Got up in the block
Pick you up 'round 10 o'clock
10 o'clock
Pick you up 'round 10 o'clock
