Is there a reason why you act like that?

Still blow the pack by this long
Still blow the pack by this long
25 hoes in my phone
24 hoes when I roll
24k in my mouth
25 hoes in the house
Bitch slow down on the Act
Plus I got a bean in the bag, piped up off of that
You should just climb up the pole
Then you should slide down the pole
25 hoes in my phone
25 hoes in my phone

Is there a reason why you act like that?
Is there a reason why you act like that?
