

# Back For Me

24hrs

Ooh

She said "Twenty, ain't never been this wet"  
In a room rolling weed, playing Dipset  
Take her on a new jet  
I'mma take her on a new jet

She gonn' throw it back for me  
She gonn' throw it back for me  
She gonn' throw it back for me  
She gonn' throw it back for me  
She said "Twenty, buy a bag for me"  
"Twenty, buy a bag for me"  
She said "Twenty, buy a bag for me"  
"Twenty, buy a bag for me"

So much pussy that be after me, after me  
I be running through her pussy like an athlete, athlete  
I got that 40 in the booth  
Couple niggas that'd shoot  
Is that Gucci on your bouche?  
I think I wanna know your move  
You ain't dealing with a scrub  
I think I might fall in love  
Call her in the afternoon  
I hit it in the afternoon

She can't run away from Me  
She can't run away from Me  
"Twenty, I can take the D"  
"Twenty, I can take the D"

She gonn' throw it back for me  
She gonn' throw it back for me  
She gonn' throw it back for me  
She gonn' throw it back for me  
She said "Twenty, buy a bag for me"  
"Twenty, buy a bag for me"  
She said "Twenty, buy a bag for me"  
"Twenty, buy a bag for me"  
She said "Twenty, buy a bag for me"  
"Twenty, buy a bag for me"  
She said "Twenty, buy a bag for me"  
"Twenty, buy a bag for me"

She like to dream right before a nigga come through  
I be doing all the shit he don't do  
I might eat it with my grill on  
Put her feet to the ceilings  
She be all in her feelings  
Everytime that I be in it

She gonn' throw it back for me  
She gonn' throw it back for me  
She gonn' throw it back for me  
She gonn' throw it back for me
