Back In Time

24hrs

24hrs
Oh, oh, oh
I love the private club

This didn't happen overnight for me
I ain't have no one to fight for me
I had to learn it the hard way
When you never would call me
It would hurt to go back in time
To go back in time
It would hurt to go back in time
To go back in time

I don't wanna go back in time
But I remember every birthday
Told me you really miss your dad
And your mom don't understand sometimes
She should give you a chance sometimes
What's mines is yours and I'ma give you all of it
You try sometimes and don't know what to make of it
I'm real, for real, I'm never on that faking shit
Quit your job, you never have to take nobody's shit
You be my designer girl
I wish that I could buy the world
Just so I can hand you it

This didn't happen overnight for me
I ain't have no one to fight for me
I had to learn it the hard way
When you never would call me
It would hurt to go back in time
To go back in time
It would hurt to go back in time
To go back in time

I don't wanna go back in time
I don't wanna go back
'Cause the future too bright
VVS diamonds, you ain't gotta shine a light
For them to do a dance for you
And I spend them bands on you
Bleep! FaceTime
Remember when you used to ride for me?
You would throw it back for me
Bleep! FaceTime
Remember when you used to cry to me?
I would 'til you smile for me
I was broke and you ain't judge me, that's what got to me
Kept it real every time, that meant a lot to me
Just really know that I'm really trying
Ain't no limit every time we buying

This didn't happen overnight for me
I ain't have no one to fight for me
I had to learn it the hard way
When you never would call me
It would hurt to go back in time

```
To go back in time
It would hurt to go back in time
To go back in time
```
