

Backend

24hrs

What? What? Yeah

I ain't got time today
Told her to find a way
This the designer way
Dior, Givenchy, Balenci' way
The build up the team way
The follow your dream way
The cut out my side hoes and marry my dream date
Valentino, all the time, keep it G
Without a [?], all the time, yeah ooh

The backend toon way
The count it up fast way
Never get a break day
Don't need no break day

They ain't handing second chances out
Rain, rain, put the Moncler out
Gettin' money, 24/7 that my whereabouts
Just copped this brand new Gucci, fuck might just a wear it out

The backend toon way
The count it up fast way
Never get a break day
Don't need no break day

Sold out dates
Smoking on great
My bitch late, ooh
Kick it with a winner
Brand new spinner
Benihana the dinner, yeah
My bitch boo
Playin' Ja Rule, we too cool
We too grown
Red bottom shoes, sit on your throne

I ain't got time today
Told her to find a way
This the designer way
Dior, Givenchy, Balenci' way
The build up the team way
The follow your dream way
The cut out my side hoes and marry my dream date

'Member back when they wouldn't put me on
TPC we goin' too strong
Fifteen hundred we hopped on the road
Talking to God, he done touched my soul
Hundred's in
Bringing the hundred's in
Money gram, just me and phin
Look out for [?]
I do this all the time
What kind of car is mine?
My car is hard to find

They ain't handing second chances out
Rain, rain, put the Moncler out
Gettin' money, 24/7 that my whereabouts
Just copped this brand new Gucci, fuck might just a wear it out

The backend toon way
The count it up fast way
Never get a break day
Don't need no break day
