RIP to Bankroll  
Just took a trip to the 6  
Came back with a few bankrolls  
Murda and we all pourin' up  
Pour up, pour up, ahh  
I be smokin' weed on my own  
I be fuckin' hoes on my own  
I be drivin' foreign on my own  
I be flyin' private on my own  
On my own, on my own  
I've been gettin' money on my own  
I've been fuckin' bitches on my own, on my own  
I've been pourin' up on my own, on my own  
I've been drivin' foreign on my own, on my own  
She just wanna fuck me alone

I need you  
I need you 'round me  
I need you  
I need you 'round me  
Your love like drugs  
Your love like drugs  
I need you  
I need you

I need your love  
I need your love  
Girl you like a drug  
Girl you like a drug  
Man the money is a drug  
Man the sex is a drug  
I be gone off the drugs  
She wanna fuck me on the drugs  
I can hit it quicker  
Jimmy Choo sneakers  
I don't wanna picture  
We can make a movie  
I can feel your heart beat

I need you  
I need you around me  
I need you  
I need you round me  
Your love like drugs  
Your love like drugs  
I need you  
I need you
