

Night Rider

24hrs

I can take your girl if I want to
I can fuck your girl if I want to
I can spend a hundred if I want to
I can drive foreign if I want to
Why would I listen to a simple ass bitch?
Twenty on a bean every time he switch his whip
Twenty, he a boss, he don't gotta say shit
Twenty gettin' money, boy, Twenty gettin' rich
I can take your girl if I want to
I can fuck your bitch if I want to

When I was comin' up I wasn't gettin' to the money
Now I'm piped up, I be runnin' through the money
Strip club, shawty, we be slingshottin' money
Twenty, he a fool, he be fuckin' through the money
It's Twenty on me
I can put Twenty on you
It's Twenty on me
I can put Twenty on you

Baby ride Twenty like a motorbike
Twenty gettin' head on a first class flight
If she love Twenty, she gon' take that height
Hit the lil' bitch with all my might
Baby ride Twenty like a motorbike
Baby ride Twenty like a motorbike
Twenty gettin' head on a first class flight
Twenty gettin' head on a first class flight

I can take your girl if I want to
I can fuck your girl if I want to
I can spend a hundred if I want to
