Don't want no feature, you niggas is miserable
Jewelry is terrible, jump up your visual
Know that you're sick, go get a physical

Watching your bitch while the world watching me
Taping this chick while she sucking my dick
And I love to show off so do you want my seat
Killing it, killing it, killing the P
You must have 10 million to kick it with me
Check out my specs, life is a spectacle
Her brain is the best, so intellectual
Get ahead of myself, I'm a heterosexual
