

## Perfect

24hrs

You gon' blow my spot if you od  
Break the bank, bitch  
Break the bank, bitch  
Please take it easy on the Codeine  
Let's have a party, Project X

You meet a girl from the A, she gon' change your life  
I was stayin' on the north, I was doin' alright  
I let her slide to the crib, she wanna fuck all night

I got a perk for you, a perk for me, let's make it perfect  
I blow a hundred bands, 'cause you really worth it  
I got a perk for you, a perk for me, let's make it perfect  
We gon' blow a hundred bands, 'cause you really worth it  
Perfect

I'm doin' 120, hopin' twelve don't get behind me  
I got my 40 NOLS, it's just bad timin'  
I told my dawg to take the L, 'cause it's his first offense  
He told the cop that was his gun, he was just not convinced  
Hands around my back, I'm sittin' on the fence  
Pray to God, so I put VVS in my crosses  
Bosses turn bosses into bosses  
They ain't beefin', they don't wanna die  
Miss my nigga, man, I wanna cry  
You know I ball double hard, it just be me and my bitch  
I make a call to my dawg, I ain't gon' worry bout shit

I got a perk for you, a perk for me, let's make it perfect  
I blow a hundred bands, 'cause you really worth it  
I got a perk for you, a perk for me, let's make it perfect  
I blow a hundred bands, don't wanna feel the hurtin'  
Let's make it perfect  
Let's make it

I met her at Follies, ain't no way that I would kiss her  
I'ma need a Backwood, I can not smoke me a Swisher  
I had APC on when you saw the picture  
Tokyo got platinum, I'ma go get me a richard  
If I bring a bitch with me, you know that she a whole vibe  
I'ma let the engine tell you when I pull up outside  
Eggs, I like toast, baby, don't forget the bacon  
Sex on the PJ, we was on the way to makin'  
Money in the air, only time her ass is shakin'  
Heard I got a bitch, man, you know that I am taken  
You and your best friend took my hotel

You gon' blow my spot if you OD  
Please take it easy on the Codeine

I got a perk for you, a perk for me, let's make it perfect
