

Plus 1

24hrs

24hrs and you know it's Nasty C
(Yeah yeah yeah yeah)

Big Body we in Cullinan
Javier's we gone call it in
Big change, slow down baby stay in your lane
Mansions, came with the infinity pool
Get money bitch my type
My Rick Owens really off white

Money money money got insomnia
Shawty shawty shawty from the Gambia
Air max on I can run with y'all
We was making love on the furniture
Love don't cost a thing in my eyes
I keep spending all these dead guys
The zaza I smoke is way too strong
When the love real you don't want to move on
You said things, I said things too
If I run away, I run away I bring you

Fell in love and we don't want to land soon
Plus one and I really want to bring you
She want to party all night like she single
Plus one and I really want to bring you
Yeah, yeah
Plus one and I really want to bring you
Plus one and I really want to bring you
Plus one and I really want to bring you

Tell me what you say babe
Is you on the same page
Do you want to vacay
What you want to do
You do more than maintain
That's why you my main thing
I'm going make it rain (rain), when you come through
\$200k that's some change
I blow that for play, play
I know how to get you in your mood, baby
I want to go and break all the rules baby
I put a little of me in your womb baby, yeah
Knock a nigga off from my bitch
Copped Saint Laurent for my bitch
I go hard for my bitch
Pussy put me in my coffin and shit
I know shawty not going to crucify me for the cards that I missed
I give you my applause you the shit
You take all your clothes off
And leave nothing but your drawers still drip
I could go on and on
I'm going to take a ride with a don (a don)

Fell in love and we don't want to land soon
Plus one and I really want to bring you
She want to party all night like she single
Plus one and I really want to bring you

She want to party all night like she single
Plus one and I really want to bring you
Yeah, yeah
Plus one and I really want to bring you

Plus one and I really want to bring you
Plus one and I really want to bring you
