Running Man

24hrs

Throw some money and the bitch might do the running man (oh)
Naked girl, lemme see you do the running man
For 24hrs you should do the running man

All this money make the bitches do the running man
Do the running man, do the, do the running man
All this money make the bitches do the running man
Do the running man, do the, do the running man
Strip club but we call that shit the bando
Bad girls hittin' licks in the bando
Bad girls, bad girls in the bando
Bad girl make a million in a bando

I'm in the strip club throwin' 20's
She say, "Ain't your name Twenty?"
Less talkin', toot that ass up
A hundred thousand when we fuck it up (ooh)
Real ass, no doctor
She said, "Twenty I want pasta"
I could read your mind
Shoot me with the mastermind
All the flights is early
Know that all this Sprite is dirty
That bitch bad
My bitch bad
We get bags

All this money make the bitches do the running man
Do the running man, do the, do the running man
All this money make the bitches do the running man
Do the running man, do the, do the running man
Strip club but we call that shit the bando
Bad girls hittin' licks in the bando
Bad girls, bad girls in the bando
Bad girl make a million in a bando
