In my Maybach, we go way back, don't we?  
If I love you, let you count the money  
You can't stay tonight, you gotta go, yeah  
I dress up just like a fashion show, yeah  
What's your name? I put you down for real, yeah  
Big dawg, pull up on them big wheels  
I'm in Atlanta, girl, take off tonight, yeah  
I put dirty in like all my Sprites, yeah  
12 AM in ATL  
Biggest room in the Twelve, yeah  
Big check, cash that  
All black, scat pack

I'm facin' Woods, countin' money in the drop, dawg  
I pray to God, I know I talk to him a lot, dawg
