

Stay 2 Myself

24hrs

24hrs

Fifty for the, beep

Bigger, finer, things

VVS rings

I stay to myself

Y'all turned y'all back, didn't wanna help, yeah

Can't trust no hoes, yeah

They might run off with your heart, yeah

Don't trust no niggas, yeah

Baby girl, I know you smart

Bigger, finer things (finer things)

VVS rings

Ooh, they say, "20, you the hardest," yeah

I run circles 'round these artists

My name 20, ask your bitch about me

My chain real, ask Ben Baller 'bout me

I'm to myself, you don't got ever shout me, shh

I keep it solid, ask Hit-Boy about me

All we did was pray to God

Tokyo already beat the odds

Bigger, finer, things

VVS rings

I stay to myself

Y'all turned y'all back, didn't wanna help, yeah

Can't trust no hoes, yeah

They might run off with your heart, yeah

Don't trust no niggas, yeah

Baby girl, I know you smart

Bigger, finer things (finer things)

VVS rings

Pay attention

Ooh, y'all see the kid stuntin'

My cuzzo did a ten and he ain't did nothing

The world was sleep

RIP to Fredo and Lil Peep, yeah

Angels watch me grow

Was looking through my pics with Shawty Lo

Legends live forever, I was smart

Yeah, Hit-Boy sleeping on the charts

Bigger, finer, things

VVS rings

I stay to myself

Y'all turned y'all back, didn't wanna help, yeah

Can't trust no hoes, yeah

They might run off with your heart, yeah

Don't trust no niggas, yeah

Baby girl, I know you smart
