You don't ever keep it real, I should've never spent time on you

Time on you, time on you, time on you, time on you

Name another bitch I ever, ever called "my lady"
Now I'm going up and I'm going through so much
I can tell a lie cause I'm going through so much

I can tell a lie, I swear I'm going through so much
I can tell a lie, man, I'm going through so much
I can tell a lie, I swear I'm going through so much
