If I don't call you then call me
That's how it's supposed to be
That my lil' iced out shawty

I got her the Mercedes
That's how it's supposed to be
We take flights out to Cabo
We buy diamonds on diamonds

Kisses on you neck, unforgettable sex
24hrs, fell in love and won't send you one text
Twisting the blunt, we lit as fuck in this new Bentley truck
Who gives a fuck if they see us? Tell them we doing us
Lover's Lane, Yeezy sneakers, top me in the Mulsanne
Commitments are common, it's different, she's getting my chain
Fuck a credit, I got paper, don't talk numbers again
Call the movers, hit Miami, let the summer begin
I don't gossip, I'm a boss, I don't care for your friends

Take you shopping, drop you off, then start over again
Been a baller, Bel Aire bottles, money taller than men
Not a problem, got a shooter, he can make it from ends
