

It's really no room on my wave  
Twenty a young nigga paid  
Twenty a young nigga paid  
I got no room on the wave  
Oh, I got no room on the wave  
Told mama I got the wave  
Cartier all of my shades  
Told mama I'm gettin' paid  
Now I can chill in the shade  
It's really no room on my wave  
It's really no room on my wave  
I got no room on the wave

Just bought a crib in Decatur  
Twenty don't care 'bout the hater  
Twenty be stackin' that money  
They cannot take this shit from me  
Just bought a crib in Decatur  
Twenty don't care 'bout the hater  
Twenty be stackin' that money  
They cannot take this shit from me  
Fuck you twice and don't call you  
Twenty, this shit be all you  
Fuck you twice and don't call you  
Twenty, this shit be all you  
Twenty only speak volumes  
Twenty only speak volumes

It's really no room on my wave  
Twenty a young nigga paid
