

You Know

24hrs

I met this girl in Atlanta
She just be dancing and dancing
I know she ready to go, she wanna ride down the road
(Hey, well)

As long as you know
As long as you know
As long as you know
As long as you know
Baby you should really roll weed with me
Baby you should really throw it back for me
Baby you should really turn around for me
Baby you should really really take this dick
As long as you know
As long as you know

I met this girl out in Houston
She just be sipping and sipping
I strain her back like she lifting
Fuck I just wish you would listen

How much you spend on that coat?
I think I might be your [?]
Bitch I don't ever fly coach
I just don't sit back and loaf
Bitch I just run through the loaf
Your boyfriend a motherfucking joke I put it all in your throat

As long as you know
As long as you know
As long as you know
As long as you know
Baby you should really roll weed with me
Baby you should really throw it back for me
Baby you should really turn around for me
Baby you should really really take this dick
As long as you know
As long as you know

I met this girl from Chicago she done flew in from Toronto
She got a voice like an angel
I beat her up like Kurt Angle
I swear that her pussy is dope
She got me hooked like she a coat

As long as you know
As long as you know
As long as you know
As long as you know
