

# Got Myself

24kGoldn

Ooh (Ooh ooh) ooh (Ooh ooh) ooh  
(Yeah) ooh (Yeah) ooh (Yeah) ooh

I'm feeling alone  
Not knowing I got you yeah  
Hours spent on the phone  
Still feel like you're not my girl  
But I'll be good by tomorrow  
Cuz I still got myself  
I'll be good by tomorrow  
Cuz I still got myself

I'm feeling alone (Feeling alone)  
Not knowing I got you yeah  
Hours spent on the phone (Spent on the phone)  
Still feel like you're not my girl  
But I'll be good by tomorrow (Yeah I'm good yeah I'm good)  
Cuz I still got myself  
I'll be good by tomorrow (Good by tomorrow)  
Cuz I still got myself

All that love that you put away  
All that pride taken with the pain  
You're switching it up like you're switching lanes  
Speeding it up like I want your name  
I'm a diamond in the rough oh  
Still can't feel your touch  
I wanna know  
Why you're tryna keep your distance

Please tell me why I'm still tripping on you  
Sipping for two  
Tripping on you  
Hot box and lip locking  
Smoke in the room  
I wish it was you  
Still tripping on you

I'm feeling alone (Feeling alone)  
Not knowing I got you yeah  
Hours spent on the phone (Spent on the phone)  
Still feel like you're not my girl  
But I'll be good by tomorrow (Yeah I'm good yeah I'm good)  
Cuz I still got myself  
I'll be good by tomorrow (Good by tomorrow)  
Cuz I still got myself

I feel alone  
I recollect my own  
You and you're selfish ways  
But I can't runaway from this pain, my babe  
The hardest game to play  
You try to be there late at night  
Won't meet me in the day  
Yeah yeah

Please tell me why I'm still tripping on you

Sipping for two  
Tripping on you  
Hot box and lip locking  
Smoke in the room  
I wish it was you  
Still tripping on you

I'm feeling alone (Feeling alone feeling alone)  
Not knowing I got you yeah  
Hours spent on the phone (Spent on the phone)  
Still feel like you're not my girl  
But I'll be good by tomorrow (I'll be good I been good)  
Cuz I still got myself  
I'll be good by tomorrow (Good by tomorrow)  
Cuz I still got myself

Please tell me why I'm still tripping on you  
Sipping for two  
Tripping on you  
Hot box and lip locking  
Smoke in the room  
I wish it was you  
Still tripping on you
