

Runaways

28 Days

Remember what you've got
Don't try to runaway
Although it never stops
It will trust me some day
And you'll find
That something's bright
At the end of the tunnel.
I know,
Your life without fun will be rectified
So don't you hide away today.

Say what do you say
Well its time for you to runaway
Say what do you say
An its time for you to, time for you too
Say what you say
Runaway

Remember what you've got
Don't try to runaway
Although it never stops
It will trust me some day
You'll find..

Say what do you say
Well its time for you to runaway
Say what do you say
An its time for you to, time for you too
Say what you say
Runaway
Well its time for you to runaway
Say what do you say, runaway

Fucken waited far too long
This is why I sing this song
Fucken waited far too long
This is why I sing this

Say what do you say
An its time for you to runaway
Say what do you say
An its time for you to, time for you too
Say what you say
Runaway
An its time for you to runaway
Say what do you say
An its time for you to runaway
Say what do you say
An its time for you to, time for you too
Say what you say runaway
